April 1, 2008

Dear Friends:

Duke Children's Hospital Benefit Horse Show is in its 25<sup>th</sup> year of "Making Miracles Happen for Children." After last year's huge fundraising success, we're looking to make the 25<sup>th</sup> year the biggest for the hospital yet! Last year, every single sponsorship dollar went directly to helping patients at Duke Children's Hospital. With your generosity we raised more than \$179,000 for the hospital in 2007, and we're setting the goal at \$200,000 for 2008. We could not have achieved last year's contribution without you, and we hope you will join us again this year in our quest to help the children at Duke.

With the support of the community and horsemen alike, the pediatric programs and services at Duke continue to make Duke one of the top-ranked children's hospitals in the country and one of the largest providers of unreimbursed charity care for children in the Southeast. Together our commitment to Duke Children's Hospital will help create a healthier and brighter future for more children.

It's again time to begin thinking about our Duke Benefit for 2008. As a sold out event for the last two years, this show proves to be a must for competitors and spectators alike. The show has become a premier hunter/jumper event in the southeast and will again host the Atlantic Coast League Finals, as well as the exciting \$30,000 Grand Prix jumping event on Saturday night.

Sponsorship opportunities are available at all levels and are designed to fit a wide range of interests. Please review the enclosed list and make your sponsorship by July 15<sup>th</sup> to be included in show publications.

We invite you to become a member of the Duke Children's Hospital support family, JUMP FOR THE CHILDREN, and help generate more miracles for the youngsters at Duke Children's Hospital and Health Center. Support the children and let the horses provide the entertainment.

Thank you in advance for your continued support. Let's make the 25<sup>th</sup> year the best!

Sincerely,

*Joan Petty*
